

Rob McKeown

"I was attracted to Tranmere BC because of the welcoming, friendly and inclusive nature of the members."

The club's culture, conduct & progressive attitude, is something I hold in high regard," - Rob McKeown

A **hearty mid-season welcome to Rob McKeown**, a new member transferring to Tranmere from Payneham.

Rob only began bowling two years ago after retiring from his 40+ years working, with firstly ETSA and with the last 30 years with AGL in power generation at Torrens Island.

For the last ten of those he was in charge of the control room on shift work.

He got an initial taste for bowling in night-owls and enjoyed it so much he quickly took up pennant bowling, playing with the Payneham club for the past two seasons.

Rob brings a relatively youthful enthusiasm to our club – he is the 5th youngest member (3rd youngest of the men) and, is keen to immerse himself not only in pennant, tournament and Taylor Cup bowling, but also in officiating as a measurer, marker and, eventually, as an umpire.

He is an avid walker and gardener and looks forward to contributing as a volunteer at Tranmere.

Please say "hi" to Rob and make him feel welcome!
