Event	Format	Comments
Lady's & Men's Singles	4 Bowls, first to 25 shots	Dead ends to be replayed
Lady's, Men's & Mixed Pairs	2-2-2-2 bowls Minor round 12 ends Grand Final 15 ends	Dead ends to be replayed. If the scores are level after the last end of normal play, one extra end to be played. Coin toss to determine who leads. Mat may be given away.
Open 100 Up Singles	4 Bowls, first to 100 points	<p>Scoring shall be 4 points for the closest bowl to the Jack, then 3 points for the next, then 2 then 1.</p> <p>The Jack is always placed on the 2 metre line on the "T". If the Jack is moved off the "T" by a bowl it shall be replaced back to the "T". Should a bowl rest on the "T" the Jack shall be placed on the centre line as close as possible to the "T". In this instance when the measuring occurs, the bowl on the "T" scores 4 points, gets removed, the Jack is re-spotted onto the "T" and then continue measuring.</p> <p>If the Jack is taken out of bounds, 10 points is awarded to the opponent.</p> <p>The mat may be placed to any length as long as it is within the laws of the game. The Mat is placed by the winner of the end who has scored the highest number of points in that end. If the end is drawn then the player who last placed the mat on the previous end places the mat.</p> <p>If both players reach 100 or over at the same time, the highest score wins. If scores at 100 or over are tied, then extra end/s are played until one player has a higher score than the other.</p>
Open Singles	4 bowls, 2 set x 9 ends	<p>NO dead ends - If the Jack goes out of bounds, replace on the two metre line - one metre in on the side it went out of bounds.</p> <p>After two set played, if one set each then play a 3 end tie break where shots up count. If still tied after 3 ends, play one more sudden death end.</p>
Open Pairs	2 bowls, 2 sets x 9 ends	Same as "Open Singles" rules above.
