TRANMERE BOWLING CLUB SATURDAY PRESEASON TRIAL GAMES

This year it was decided that Saturday Club Trials would be structured as a Practice and Development [P&D] Program (Preseason training) open to **all club members** as per the notice in the last Tranmere News which can be reread by [clicking here](#). It was scheduled to commence this Saturday at 1-00pm.

For several reasons, the P&D is deferred by one week to 16 September at 1-00pm. **All players** are encouraged to attend. If you are going to attend, please make sure you have put your name down on the sheets on the noticeboard in the clubrooms as selectors will be selecting teams for each week of the program based on the names recorded on those sheets.

This includes any **Wednesday or Thursday only bowlers** who wish to attend.

Whilst the Practice and Development Program has been postponed one week, there will still be practice games this coming Saturday commencing at 1-00pm. Teams will be selected from those players who have recorded their names as available to play on the 9 September.

The Practice and Development Program moves to Fridays from the 29 September. Initially the Program Leaders planned for Friday sessions to commence at 3.00pm and finish at 5.00pm. However, it has been suggested that we should consider different times.

Therefore, it is requested you advise Colin Whyte via email (colinwhyte@outlook.com.au) if you have a preferred timeslot from the following:

	Start	Finish
1.	10.00am	12.00pm
2.	1.00pm	3.00pm
3.	3.00pm	5.00pm
