

# Watch out Joondalup... Sue is heading your way!

The National Championships will be held in Joondalup later this month where the nation's state winners compete for their respective coveted titles.

**Sue Maddern**, one of our reigning ladies' Premier skippers is heading to Perth on Friday to compete in the Senior Sides Championships in Joondalup.

Sue, may call Hahndorf Bowling Club her home, but to Club Tranmere, we are delighted that she considers us her home-away-from-home!

**Good luck Sue!** ....oh, but wait, there's more!

Sue will also be competing in the National Ladies Fours along with her ladies' State Fours champion teammates **Sue Hutchinson, Pam Edmunds** and **Sandy Wallace** on Thursday, 19 October.

Club Tranmere wish the ladies Seiko Watch winning performances as they take on the likes of Karen Murphy and her entourage. Tick, tock!

Club Tranmere wishes all SA competitors every success.

# The Seiko Watch Shot of the Day Award

Not an easy selection from a ladies team that all played so magnificently well ..... 'twas a treat to watch.

"The selectors" after little deliberation unanimously agreed that **SUE MADDERN's** conversion shot on the seventh end was the highlight of the Grand Final.

When Sue stepped on to the mat to deliver her last bowl on that seventh end, we were five shots down.

The opposition had moved the kitty to the very edge of the gutter [going away from the club-house] on a full length end.

Undaunted, Sue stepped up and delivered a bowl just over reaching weight, it bumped in to the first shot bowl, which rolled in to the ditch and Sue's bowl stayed for shot.

**Hey,** I don't wanna see where I've been. I wanna see how cool I look getting there!

From five down to one up, at a very tense and delicate stage of the game. John Coppe [and Arthur Fonzarelli] would have been very proud of that one.

Congratulations to Sue for a wonderful display of skip bowling, and to her team for such a meritorious win.

The other two bowlers who were considered for the Award were **Bev Cowles** and **Di Ferris** for some "crackers" that were also produced [they will be awarded a barley sugar sweet in due course].
