## Working Bee – Monday, 6 May 2024 from 9.30am

Club Tranmere is a proud club and wish to ensure its presentation is maintained in a high order. It is much appreciated for members to volunteer and contribute some of their valuable time during the scheduled working bee. We look forward to seeing you on **Monday, 6 May.**

## Finished with your bowls!

Do you or your bowler friends have bowls that you no longer use? If so, how about donating them to the club. The club is keen to replenish its stock of *old* night owl bowls with a more modern look for club hire event activities. **Peter Marshall** will be pleased to take them off your hands!

See you on the green!
