

Ladies' Singles Champion 2024/2025

First of all, I'd like to apologise for not being here.

I am currently in Alice Springs helping my sister Sandra in her shop which is a homeware store (A Home like Alice).

A big thank you to Anne Lippis for reading this out.

It's a healthy sign when you can ask your grand final opponent to read out your speech.

I have been part of this club since 2012 and feel very proud to be a member.

You are my extended family.

Congratulations to all the other winners and I hope you are enjoying your day 'without me'.

Thank you.
